Welcome

As you take up (or resume) your studies in Social Work, I extend my congratulations on your choice of degree. The breadth and complexity of issues facing Australian and global societies demand increasing numbers of persons able to bring a strong intellectual, policy and professional outlook to social change. The Social Work profession has been quick to adjust to the many changes taking place around it. At the forefront of leadership in the profession has been the University of Sydney, which remains committed to the academic excellence and professional strength of its degree programs.

The Department of Social Work, Social Policy and Sociology - as with the University itself - was the first of its kind in Australia. Many features of Social Work across and beyond Australia began here, and innovation and flexibility continue to be special characteristics of the Sydney degree and experience. It is your Department, with enviable strengths and resources available to all its students. Do take advantage of them.

We have committed ourselves to the on-going strengthening of the Social Work profession, chiefly through the quality of our graduates. We believe that our graduates, in turn, are committed to attaining the highest professional and ethical standards in their work, are committed to a constructive approach to social policy needs, and are committed to being lifelong learners. We will support many of you who will wish to study at Honours level, and I encourage you now to consider the many advantages that come from graduating with Honours. Further, I remind you of the rich array of postgraduate courses available at Sydney - and it is not too early to envisage yourself now as a postgraduate student!

The undergraduate Social Work course allows a wide choice of subjects in the first two years of study. These form a highly flexible basis for the more specific professional subjects undertaken in the final two years. The Faculty of Arts Undergraduate Handbook provides details of available course units, and you should consult it as well as this handbook in planning the overall shape of your degree. Decisions about your first two years of study influence the kind of professional Social Work expertise you develop. Because these choices are important ones, you should discuss them and your career interests with those best able to help you. For example, the Chair of the Department of Social Work, Social Policy and Sociology (Associate Professor Jude Irwin) and the Secretary of the Board of Studies in Social Work (Ms Robyn Longhurst) are available to provide advice.

The more formal avenues for consultation between students and University staff are outlined in Chapter 5 of this handbook. I know, however, that all members of the Department will be pleased to meet with you more informally to discuss issues of interest and concern to you. A great additional resource is the Sydney University Social Work Students' Association and I hope you will actively participate in its work.

I wish you every success in your studies, and hope that much enjoyment and satisfaction accompanies them.

Associate Professor Phillip Jones, Chair, Board of Studies in Social Work

Guide to the Department

The Board of Studies

Chairperson
Associate Professor Phillip Jones

It is the task of the Board of Studies in Social Work to oversee the academic work of the department. The Board draws heavily on the knowledge and experience of distinguished practitioners from outside the University and senior academics from cognate fields within the University.

The composition of the Board of Studies in Social Work is governed by a resolution of the Senate which is contained in the University’s Calendar 1999, Vol. 1: Statutes and Regulations.

Department of Social Work, Social Policy and Sociology

The department’s primary function is to offer a professional education to men and women who wish to become social workers. The qualification offered is a requirement for employment in this field. The course involves the study of social policy, social administration, community studies and the social sciences generally. The department is also responsible for teaching sociology and social policy units of study in the Faculty of Arts.

Social work

In contemporary Australia, social work is a crucial activity. For example, some of the worst consequences of events such as an economic recession can be alleviated by Federal, State and local initiatives in social policy over which social workers exercise influence, in particular in projects often described as ‘community development’. In addition, there are many areas of national life where politically initiated reforms, whether in the administration of justice or the provision of child care or in attempts to increase employment opportunities for disabled people, have to be carried out by staff who have some expertise in managing the human and other resources of organisations and who know how to make effective use of other professionals and volunteers. The promotion and administration of changes in key areas of health and welfare are also tasks for social workers.

A more traditional job of social workers is to provide those statutory services that aim at meeting basic human needs, whether for income maintenance, shelter, personal support, information, guidance and counselling, and to carry out those statutory functions, such as supervision and control which may involve involuntary clients. These services for individuals and families involve casework but they also require social workers to know about agencies’ resources and to be effective in planning, organisation and administration.

The importance of social work in providing services for individuals lies in the location of social workers between powerful institutions on the one hand and the predicament and powerlessness of ordinary people on the other. This requires that social workers and social policy planners have extensive knowledge of the social, political and economic contexts of welfare practice.

The fields

Social work can be roughly classified into fields indicating the groups of social agencies that serve each area, as follows:

**Physical health**: general hospitals, government departments of health, rehabilitation centres, special agencies for the physically handicapped;

**Mental health**: psychiatric hospitals, child guidance clinics, community health centres;

**Corrections**: probation and parole services;

**Public welfare**: the major government departments charged with the individual’s economic and social security;

**Family and child welfare**: various government and voluntary services that care for the needs of the families and children both in and out of their own homes; and

**Community work**: the process of enabling local people, including participants in specific projects, to develop their own resources and initiatives in improving services and to increase their power over various forms of decision making.

This is only a selection covering the chief areas of social work services.

Professional education

While social work has come to be regarded as a profession only during the last sixty years, appropriate training at the tertiary level is now widely accepted and demanded. This demand has accompanied developments in the biological, psychological and social sciences and the increasing complexity of industrial society. The emergence of ‘social work’ has, in fact, been universally associated with the growth of industrial society.

In Australia in the last fifty years developments in the field of social work have been rapid. These have included the provision of undergraduate social work education in university departments of social work, among which Sydney’s is the oldest. Courses given take a variety of forms but in no case can a recognised undergraduate qualification be obtained in less than four years, dating from the beginning of this period.

Details of the admission procedures are in chapter 2 of this handbook.

Employment and training

In carrying out these activities, whether in community development, in social policy initiatives including research or in the direct provision of services, social workers are employed by a range of government and non-government organisations. In New South Wales, their major employers are hospitals and the Department of Health, Centrelink, the Department of Community Services and the Department of Corrective Services, the last being responsible for probation and parole supervision. In the non-government or voluntary sector there are employment opportunities in women’s and youth refuges, and in residential child care, with housing associations and a variety of self-help organisations concerned to develop services for particular minority and other disadvantaged groups.

In some of those organisations there are career ladders, in others the duration of the social worker’s job is limited to the completion of particular projects. In all of these posts the direction of social work depends partly on the values and beliefs of the practitioners and on their skills in making effective alliances with people who share their objectives. In all of these activities the competence of social workers depends on their knowledge of policies and agencies’ resources, their skills in research and administration and on their ability to communicate effectively, orally and in various forms of writing from letters to memoranda, and from social enquiry reports to the completion of research-type papers. The demanding standards expected of social workers and the complex nature of their activities underline the need and importance of professional training.

A professional qualification in social work opens up opportunities for experience outside Australia. In the first place, Australians find interesting employment in most
English-speaking countries, and secondly, provided they hold a degree, they may proceed to a higher qualification or take shorter specialised courses offered by schools of social work, particularly in the United States and Britain.

CHAPTER 2

Undergraduate degree requirements

There are two undergraduate programs offered:

- Bachelor of Social Work (BSW)
- Bachelor of Arts/Bachelor of Social Work (BA/BSW)

The BSW is studied over four years, and the combined BA/BSW is a five-year program. In both programs you complete units of study within the Faculty of Arts and, depending where your interests lie, you can choose from a wide range of units including sociology, history, economics, psychology, government, and languages. This provides a strong base for subsequent studies in social work and social policy.

Entry to both courses is at first year or, for qualified applicants, at second or third year level.

It is possible to undertake the first two years of the social work degree program by studying less than the full component of units of study in each year. There are time limits to the completion of the course as a full-time program.

There are formal requirements governing the order in which the various units of study may be attempted. Students who wish to complete the program in more than the minimum time must ensure that their course plans meet all these requirements. These requirements are set out in the Resolutions of the Board of Studies in Social Work contained in Chapter 3.

Length of candidature: in both the BSW and the BA/BSW combined program maximum length of candidature is twice the minimum period required at point of entry.

Admission

There are three methods of admission to the BSW degree:

- HSC admission
- Undergraduate or graduate admission
- Special admission.

HSC admission - BSW or BA/BSW degree program

This method is for people who:

(a) are completing the HSC or its equivalent; or
(b) have completed the HSC in the past, but have not completed any tertiary study.

Successful applicants enter the first year of the degree program.

Application and selection

1. Applicants are selected on the basis of their Universities Admission Index (UAI).
2. Applicants who are currently completing the HSC or its equivalent must phone the UAC Infoline.
3. Applicants who have completed the HSC in the past should lodge an 'Application for Enrolment' form with the Universities Admission Centre by the specified date in the year preceding that in which you are seeking entry. The UAC Guidebook containing the application form is available for sale in August from most newsagencies.

Undergraduate or graduate admission - BSW degree program

This method is for people who:

(a) have an HSC (or equivalent); and
(b) are currently undertaking a full-year degree/diploma course at the University of Sydney or another tertiary institution; or
(c) have been awarded an associate diploma.

Application and selection

To apply and be selected for enrolment in the BSW degree course, you must:

(a) have met the University's minimum eligibility requirements;
(b) have completed one year of university or equivalent tertiary studies;

If you seek credit for units of study which were not completed at the University of Sydney, you should also submit to the Secretary of the Board of Studies in Social Work, at the time of making application through UAC, a copy of the certified statement of your academic record from the other tertiary institution and relevant handbook extracts describing the unit(s) of study for which you seek credit. These extracts should be photocopies from the handbook for the year in which you completed the unit(s) of study.

Credit may be granted, where appropriate, for up to the equivalent of 96 credit points (ie, for admission to the second or third years) towards the BSW degree course (see the Board of Studies resolutions contained in Chapter 3 of this handbook).

BA/BSW degree program

If you seek credit for units of study which are not completed at the University of Sydney, you should contact the Faculty of Arts for advice in respect to what credit you may be given.

Special Admission

Mature age applicants:

(a) are 21 years of age or over on 1 March of the year of entry or are from an educationally disadvantaged background; and
(b) must produce evidence which satisfies me University’s Special Admissions Committee that they have the ability to undertake the Bachelor of Social Work course.

Most Special Admissions applicants have successfully completed postsecondary studies at a technical college or a 'Special Admission' university preparation course. If you think you may be eligible, contact the Special Admissions Adviser, phone (02) 9351 3615.

Applicants who succeed in gaining a place through Special Admissions usually commence in the first year of the degree program. In cases where a successful applicant has already completed work towards another degree course, however, this can be credited towards the Bachelor of Social Work course.

Broadway Scheme

Year 12 students who are currently sitting the N.S.W. HSC and who have experienced serious educational disadvantage should check their eligibility for consideration under this scheme with their school (or equivalent). For more information please contact the University Admissions Office, phone (02) 9351 3615.

Disabilities

If you have a medical or physical disability of a kind likely to impair your working program you should place this on record, accompanied where appropriate by medical evidence.

Allowance may be made to accommodate your needs in the lecture room and at examination time.

Further information

For full details of the Arts units of study see the Faculty of Arts Undergraduate Handbook. Enquiries about the BSW degree course or the combined BA/BSW degrees course may be made to the Secretary of the Board of Studies in Social Work (Ms Robyn Longhurst), who is located in the Department of Social Work, Social Policy and Sociology, RC Mills Building, A26 (phone (02) 9351 6890). Prospective applicants are advised to obtain a copy of the booklet Department of Social Work, Social Policy and Sociology at the University of Sydney.

Section 2

Field education

10. The Department of Social Work, Social Policy and Sociology shall be responsible for the selection of field education placements, the approval of students to undertake field education and, in consultation with practitioners who act as field education supervisors, for the evaluation of the candidate's performance in the field;

11. The Department of Social Work, Social Policy and Sociology may withdraw a candidate who has commenced a field education placement if changes to examination results or other evidence alter the candidate's status with respect to the prerequisites for that placement;

12. The Board, acting on the advice of the Chair of the Department of Social Work, Social Policy and Sociology, may, in special circumstances, authorise the Department not to place a candidate in a field education placement or to refuse permission for a candidate to undertake or continue field education;

13. These procedures shall be implemented when a student:
(a) while undertaking a field education placement, is excluded by either the University or agency staff from that placement, which exclusion is, as soon as possible thereafter, the subject of written report;
(b) while undertaking a field education placement, is the subject of an adverse report in writing from either University or agency staff. This report refers not to unsatisfactory progress resulting in a failure in the placement, but rather to specific incidents or behaviours which, in the opinion of the reporting staff, cast doubt on the student’s capacity to perform appropriately as a beginning professional practitioner in social work. Such a report may refer to overall progress in professional development, including academic, emotional and ethical matters. Such a report may be in addition to a failure in the placement; or
(c) is considered by University staff in a written report to be unsuitable to undertake field education.
14. The student who is subject to the exclusion or reports set out in paragraph 1 may elect to have the matter dealt with by the Chair of the Department of Social Work, Social Policy and Sociology or by the Special Cases Subcommittee on Practice;
15. The Chair of Department of Social Work, Social Policy and Sociology or the sub-committee shall:
(a) provide the student with the relevant written reports;
(b) invite the student to present his or her case; and
(c) review the reports and related evidence in the light of any submission made by the student.
16. The student may present a case orally or in writing, or both, and may be accompanied to any meeting with the Chair of the Department of Social Work, Social Policy and Sociology or sub-committee by a person of the student’s choice. The Chair of the Department of Social Work, Social Policy and Sociology or the sub-committee shall arrange for the presence of a person to keep a record of the meeting. The record of the meeting and the decision taken shall be communicated to the student in writing;
17. The Chair of the Department of Social Work, Social Policy and Sociology or the sub-committee may:
(a) allow the student to continue in field education;
(b) warn the student that the continuation of the behaviour could result in exclusion from further field education placements and allow the student to continue in field education;
(c) recommend to the Chairperson of the Board that the student not be placed or continued in field education unless specified conditions have been met;
(d) recommend to the Chairperson of the Board that the student not be placed or continued in field education.
18. The Chairperson of the Board of Studies is authorised to exercise the powers of the Board and decide upon recommendations made under paragraphs 5(17)(c) and 5(17)(d);
19. In the event of a further exclusion or adverse report, the Chair of the Department of Social Work, Social Policy and Sociology or the sub-committee may take note of the decisions taken in relation to the previous occasion;
20. A decision under paragraph 5(17)(c) constitutes a failure in the field education placement concerned;
21. A decision under paragraph 5(17)(d) constitutes exclusion from the course;
22. Nothing in these procedures interferes with the appeal rights conferred on a student by Senate.

Enrolment in less than minimum load
23. A student may not enrol without first obtaining permission from the Chairperson of the Board in additional units of study once the degree requirements of 192 credit points have been satisfied.

Repeating a unit of study
24. Where a student enrolls in a unit of study which is the same as, or has a substantial amount in common with, a unit of study previously attempted but not completed at the grade of Pass or better, the Chair of Department concerned may exempt the student from certain requirements of the unit of study if satisfied that the relevant competence has been demonstrated.

Cross-institutional enrolment
25. Provided that permission has been obtained in advance, the Chairperson of the Board may permit a student to complete a unit of study at another institution and have that unit credited to his/her course requirements provided that either
(a) the unit of study content is material not taught in any corresponding unit of study in the University, or
(b) the student is unable for good reason to attend a corresponding unit of study at the University.

Restrictions on enrolment
26. Units of study which overlap substantially in content are noted in the Table of undergraduate units of study. Such units of study are mutually exclusive and no more than one of the overlapping units of study may be counted towards meeting the course requirements.

Satisfactory Progress
27. If a student fails or discontinues enrolment in one unit of study twice, the student may be asked to show good cause why he or she should be allowed to re-enrol in that unit of study.

Re-enrolment after an absence
28. In cases where the Board of Studies permits the re-enrolment of a student whose progress has been deemed unsatisfactory, the Board of Studies may require the completion of specified units of study in a specified time, and if the student does not comply with these conditions, the student may be called upon to show good cause why he or she should be allowed to re-enrol in the course.
29. A student whose candidature has lapsed shall not re-enrol as a candidate for the degree unless selected for admission through UAC.

Discontinuation of enrolment
30. A discontinuation of enrolment after the date specified by the University may be recorded as a Discontinuation with Permission where the discontinuation is a result of the student’s failure in a third or fourth year unit of study and where the student cannot proceed to the next unit.

Time limits
31. Except with the permission of the Board of Studies, a candidate shall complete the requirements for the course or courses concerned in no more than twice the minimum time for completion at the time of commencement.

Assessment policy
32. Students may be tested by written and oral examinations, exercises, essays or practical work or any combination of these as the Board may determine.
33. Chairs of Department may arrange for further testing in cases of special consideration, in accordance with Academic Board policy governing illness and misadventure.
34. The Chair of the Board of Studies, on the recommendation of the Chair of the Department of Social Work, Social Policy and Sociology, may determine the final mark of a candidate in a unit of study before the meeting of the Board of Examiners.

Credit transfer policy
35. Credit will not be granted for units of study completed more than nine years prior to application, except with permission of the Chairperson of the Board;
36. Credit may be granted as specific credit if the unit of study is considered to be directly equivalent to a unit of study in the Table of undergraduate units of study or as non-specific credit;
37. The total amount of credit granted for units of study from another degree course or for a course where a diploma has been conferred may not be greater than 96 credit points;
38. A student will not be granted credit for field education or work experience;
39. A citizen or permanent resident of Australia who holds a social work qualification obtained in a country other than
Australia and which has been assessed by the National Office of Overseas Skills Recognition or the Australian Association of Social Workers as being equivalent to three years of full-time tertiary degree level social work study in Australia, may be admitted to the fourth year;

Enrolment, re-enrolment and variation of enrolment

Enrolment
Correct enrolment is the individual responsibility of each candidate.
The Board of Studies assumes that students have an understanding of the rules and regulations outlined in this Handbook as they relate to the Bachelor of Social Work degree program.

While the Departmental Office will assist you to understand and interpret these rules and regulations, it is in your interests to put your requests in writing to the Board, in order to obtain a written reply for your own records and to ensure that a copy is placed on your student file for future reference. Verbal advice, while given in good faith, may be given on an incomplete understanding of your situation as you have presented it, or may be misinterpreted or misunderstood.

A candidate cannot count any unit of study or part-unit in which the candidate is not enrolled, even if a department has calculated and provided an informal result.

Persons who wish to re-enrol after an approved period of suspension of candidature need to complete an application to re-enrol after an absence. Application forms are available from the Departmental Office and must be lodged there by the end of October for the following year.

Re-enrolment
All currently enrolled candidates will receive re-enrolment advice in October. Failure to re-enrol or have a suspension of candidature approved results in termination of candidature.

Variation of enrolment
Students should carefully check the statements of enrolment posted to the semester address registered with the University.

All variations of enrolment must be made through the Board of Studies Office by the due date. Advising the lecturer or the department is not sufficient. Students have sometimes found themselves with an unwelcome result of Absent Fail or with an unnecessary HECS liability because they either did not check their enrolment carefully or forgot to advise the University of a new semester address. Students are advised to check with the Board of Studies Office without delay if they believe their formal enrolment may not be correct.

Students wishing to withdraw from a unit of study in which they have enrolled and enrol in a new unit of study must do so at the Board of Studies Office by:
- the end of the second week of first semester (for first semester units of study)
- the end of the second week of second semester (for second semester units of study).

Class timetables
First and second year students can collect a computer-produced individual timetable from the Student Centre during the Orientation period.

Attendance at classes
In order to pass a unit of study candidates must attend the classes for that unit of study. Candidates who are unable to attend all classes should consult the chair of department teaching the unit of study as non-attendance could lead to failure.

Candidates who will be totally absent from all classes for more than one week should seek leave of absence from classes by writing to the Board of Studies Office.

Examination and assessment

Units of study are assessed in a variety of ways including:
- seen, unseen and take-home examinations
- essays, assignments and projects
- oral tests
- visual tests
- practical work.

The assessment criteria for each unit of study offered by the Department of Social Work, Social Policy and Sociology are indicated in abbreviated form as part of the unit’s description in chapter 4. More detailed information on other units of study is available from the relevant department.

The Faculty of Arts and the Department of Social Work, Social Policy and Sociology have policies on matters such as late submission of work, assessment and feedback and plagiarism. Students should ensure that they are aware of these policies. Faculty policies are displayed on noticeboards and are available in the Faculty Office.

Examinations
There is a formal examination period at the end of each semester following a one-week ‘study vacation’.

Draft examination timetables are issued well in advance. Candidates should make an effort to check the draft timetable as soon as it is released and immediately report any clashes to the Examinations Office. Draft examination timetables usually become final after seven days.

Information as to the time of particular exams is never available before the draft timetable is released.

Candidates are expected to be available throughout the examination periods. The Board will not approve leave of absence for these times. (It may be possible to make special arrangements with individual departments and schools on an informal basis; but only if such arrangements are acceptable to the examiners and do not involve the university in additional expense.)

Candidates should not make overseas travel arrangements before the final dates of their examination are known.

Examination rules
The general rules which apply in examinations are reproduced with each timetable.

One of these rules is that, unless specifically authorised in advance by the examiner, no paper or written or printed material of any kind can be taken into or out of an examination room.

Candidates whose native language is not English may apply to the Student Centre for permission to take an English dictionary into certain examinations.

Special consideration
Candidates who have or have had medical or other serious problems which could impair their performance in examinations should lodge a request for special consideration at the Student Centre.

Where special consideration is being claimed on medical grounds, an original medical certificate must be attached which shows:
(a) the date(s) on which treatment was sought
(b) the nature of the illness or disability and the period concerned, and
(c) the doctor’s professional opinion as to the effect of the illness or disability on examination performance.

Where special consideration is sought on non-medical grounds the application must include a full statement of the circumstances and any supporting evidence should be attached. Examiners may respond to a request for special consideration in one or more ways:
(1) When the candidate is on the ‘borderline’ between grades the examiners may elect to give the higher grade
(2) The candidate may be given a further test
(3) An extension for missing or unsatisfactory assignments may be approved, or new assignments arranged.
(4) If in the judgement of the examiners the candidate is not capable of achieving a pass even with extensions of time and/or further tests, no action will be taken. The approval of such special arrangements is entirely at the discretion of the examiners. It should be noted that no extensions or further tests can be given; in any circumstances, after the beginning of the following academic year. If the requirements for a unit of study have not been completed by then, the candidate has failed it. (In some cases, a department or school may be willing to grant exemptions for work completed if the student re-enters in the unit of study in a later year, but the candidate must re-enrol in the whole unit of study).

Requests for special consideration are sympathetically treated, but candidates must appreciate that in some cases the Board of Studies cannot make the concession requested, even when strong evidence is presented.

**Determination of results**

Grades of results will be awarded in relation to percentage marks having regard to the following general scale:

**Further tests**

1. Further tests may be awarded in a unit of study where the examiner requires additional evidence to reach a final assessment of a candidate who has failed a unit of study and whose mark is between 45 and 49%. Where possible and practicable, all further tests will be administered before the advertised date for release of results.
2. Examiners may give further tests to candidates whose marks have been affected by attested illness or misadventure.
3. Further tests may take the form of oral or written examination, essay or other assignment.
4. Individual students granted a further test should wherever possible be given at least three days' prior notice. A candidate who is absent from a further test without sufficient reason may be deemed to have failed the test.
5. In respect to the notification of students referred to in resolutions 3 and 4, students will be deemed to have been notified as a result of the posting of information by the due date on the departmental noticeboards.
6. It is the responsibility of the student to provide evidence of illness or misadventure to the appropriate chair of department in advance of, or as soon as possible and practicable after, the date of the final examination in a unit of study. Where such evidence is not presented in time for the student to be offered a further test on the advertised date, it will only be considered by the chairs of departments where there is sufficient reason why it has not been presented by that date.
7. Any necessary revision to the results shall be submitted to the chairs of departments as soon as possible, and not later than the commencement of the next semester.
8. All results must be determined by the beginning of the academic year and no candidate shall be given further tests or extension of written work beyond the commencement of the academic year in any circumstances (including illness or misadventure). In cases of serious illness or misadventure, departments may consider an aegrotat result.

**Field education**

Students begin their field education in the third year. Responsibility for their supervision rests with qualified field teachers in social welfare agencies who, as well as supervising students, have practice responsibilities. Some students are placed in agencies having a major commitment to social welfare education. Field teachers in these agencies devote much of their time to student supervision.

There are two placements. The first is in the third year, the next being in the fourth year. Details of timing are given in the field education placement timetable below. Further information is in the Field Education Handbook available from the department.

**Placement timetable 2001**

**First Placement (3rd year)**
Duration: 60 days, commencing 23 July, ending on completion of 60 days
Placement days: A four-day week (Tuesday-Friday)
End of Placement: mid-October

**Second Placement (4th year)**
Duration: 80 days commencing 2 April, ending on completion of 80 days
Placement days: Full-time block
End of Placement: 27 July

**Social work practice/field education objectives**

- To develop an understanding of the social, economic and political context of social work, and a critical analysis of the place of social work in society.
- To familiarise students with the claims of competing theories about the personal and social condition and the arising tensions which are inherent in all social work intervention.
- To develop a sense of the extent and limits of practice which enables student practitioners to help individuals and to promote social change.
- To emphasise an adult education philosophy which develops a partnership in learning between student, field education teachers located in agencies, and staff of the Department of Social Work, Social Policy and Sociology.

**Consultation within the department**

1. Student members are elected to the Board of Studies in Social Work.
2. Each year four students are represented on the Departmental Board - one student is chosen to represent Sociology students, one to represent Social Work students, one to represent postgraduate students, and one indigenous student.
3. Each subject establishes a Course Consultative Committee to meet with academic staff.

**Prizes**

**The Social Work Pioneers Prize**
Established November 1991, the prize amalgamates the following: 'The Frances Mary Gillespie Prize' established in 1964; 'The Laura Bogue Luffman Memorial Prize' established in 1955 and the 'The Board of Social Study and Training Scholarship' established in 1941.

The prize is awarded annually on the recommendation of the Chair of the Department of Social Work, Social Policy and Sociology to the student with the highest performance in the third year, providing that the student's performance is of sufficient merit. The recommendation for an award shall take into account the third year including Field Education I. Value $300.
Scholarships and prizes for Arts courses
In addition, you should refer to the scholarships and prizes awarded in respect of those courses offered in the Faculty of Arts. For details see the Faculty of Arts Undergraduate Handbook or contact the Scholarships Office.

Support for research
Dr Helen Marchant Memorial Scholarship
The scholarship was established in 1988 following donations received from the family, friends and colleagues of Dr Helen Marchant, a distinguished teacher and researcher in the Department of Social Work, Social Policy and Sociology.

The scholarship is to support research in some areas in which Dr Marchant was particularly devoted, such as: social work and social change, gender and social welfare, women, work and technology, immigration, social welfare and social work.

Applications for the scholarship must include statements about the purpose for which support is sought; an outline of the research as a whole; detailed budget, including details of current or proposed sources of funding; and the intended outcome of the research.

Katharine Ogilvie Memorial Award
The award was established in 1988 following donations received from a group of retired social workers to honour pioneer social worker Katharine Ogilvie, and to support postgraduate research in social work.

The award is open to enrolled postgraduate research students within the Department of Social Work, Social Policy and Sociology, who are eligible for membership of the Australian Association of Social Workers.

The committee making the award takes into account the academic merit of each applicant and the appropriateness and quality of the research project.

The level of an award is determined by the committee, taking into account the availability of the funds and the level of financial support necessary for conclusion of the project.

Associations
Sydney University Social Work Students’ Association (SUSWSA)
All students enrolled in social work automatically become members of the Students’ Association. The Association meets at regular intervals throughout the year in the Dungeon (student/staff common room in the Mills Building). SUSWSA liaises with staff of the Department of Social Work, Social Policy and Sociology, both formally and informally, on all issues which concern students. These issues include curriculum changes and course content, structural issues to do with the course, and welfare rights issues. SUSWSA is concerned about welfare issues in the community and guest speakers are invited periodically to talk on a variety of topics of interest to interested students. SUSWSA provides funding for students who wish to attend conferences and information on other funding and welfare services available on campus.

The Students’ Association also provides social functions such as parties, public meetings and end-of-year functions. In essence, SUSWSA is a social, informative and support mechanism with which all social work students should feel free to associate.

SUSWSA encourages all social work students to take part in its activities. To contact the Association, leave a note in the SUSWSA box - the General Office (Room 119A) of the Department of Social Work, Social Policy and Sociology, RC Mills Building.

Australian Association of Social Workers
The Australian Association of Social Workers is the social workers’ professional organisation in Australia. Membership is determined on the basis of qualifications received from the universities and other tertiary institutions in Australia that offer social work courses. Associate membership is offered to students of social work.

The AASW is now a registered company (in the ACT) called ‘AASW Ltd.’ The Federal Council is the governing body of the AASW and meets biennially at the National Conference. It consists of the federal office bearers plus branch delegates. Delegates are elected for every 100 branch members, provided each branch has a minimum of two delegates.

The Association publishes a quarterly journal, Australian Social Work, which all members receive. It holds the National Conference of Social Work every two years in a different state capital city, the proceedings of which are published.

Professional indemnity insurance covers all members. The Federal Office also provides a code of ethics. It reviews state, national and international standards of social work education, training and practice. It provides opportunities for national and international networking.

There are national standing committees which address issues affecting social work practice such as registration, social policy and international relations.

The NSW Branch is administered by a Committee of Management elected annually at the AGM. There is close liaison with the unions, Public Service Association and Public Officers Association which concern social workers in state, commonwealth and voluntary agencies. It publishes a bimonthly newsletter, and conducts seminars, one-day conferences and workshops both in the metropolitan and country areas.

The NSW Branch of the Australian Association of Social Workers has at its disposal the Elvira M. Lyons Students’ Loan Fund. Applications for assistance should be made to the Chair of the Department. AASW addresses

Enrolment and pre-enrolment
Students entering first year
Details of the enrolment procedures will be sent to new undergraduate students with their UAC Offer of Enrolment. Enrolment takes place at a specific time and date, depending on your surname and the faculty in which you are enrolling, but is usually within the last week of January. You must attend the University in person or else nominate, in writing, somebody to act on your behalf. On your enrolment day, you pay the compulsory fees for joining the Student Union, the Students' Representative Council and the student sporting
bodies. Fees for certain courses are also payable at enrolment as is upfront HECS if you decide to pay with this option. You also choose your first-year units of study, so it’s important to consult the faculty handbook before enrolling. Faculty handbooks can be purchased at the Student Centre, or found on the web at www.usyd.edu.au/studentcentre/enrolments.

Re-enrolling students

For re-enrolling students, enrolment is accomplished via pre-enrolment which is compulsory. A pre-enrolment package is sent to all enrolled students in early October which contains instructions on pre-enrolment procedures.

Freedom of Information

The University of Sydney falls within the jurisdiction of the NSW Freedom of Information Act, 1989. The Act requires information concerning documents held by the University to be made available to the public, to enable a member of the public to obtain access to documents held by the University and to enable a member of the public to ensure that records held by the University concerning his or her personal affairs are not incomplete, incorrect or out of date. By definition, a ‘member of the public’ includes staff or students of the University.

• Application may be made for access to University documents, however the Act provides some exemptions to particular documents. The Act contains review and appeal mechanisms which are required to be explained to applicants where applicable. The University is required to report to the public on its FOI activities on a regular basis. The two reports provided are the Statement of Affairs and the Summary of Affairs. The Statement of Affairs contains information about the University, its structure and function and the kinds of documents held. The Summary of Affairs identifies each of the University’s policy documents and provides a contact list for those wishing to access these documents. Further information, and copies of the current reports may be found at www.usyd.edu.au/arms/foi/.
• It is a requirement of the Act that applications be processed and a determination be made generally within 21 days. Determinations are made by the University’s Registrar.

(Grievances) appeals

Many decisions about academic and non-academic matters are made each year and you may consider that a particular decision affecting your candidature for a degree or other activities at the University may not have taken into account all the relevant matters.

• In some cases the by-laws or resolutions of the Senate (see University Calendar) specifically provide for a right of appeal against particular decisions; for example, there is provision for appeal against academic decisions, disciplinary decisions and exclusion after failure.

• A document outlining the current procedures for appeals against academic decisions is available at the Student Centre, at the SRC, and on the University's web site at www.usyd.edu.au/studentcentre/graduations/appeals.

• If you wish to seek assistance or advice regarding an appeal, contact:

Intranet  
USYDnet is the University of Sydney’s intranet. It provides easy access to staff and student directories, maps, software and useful resources for both staff and students. As well as delivering information, the intranet provides interactive services such as the Calendar of Events, where staff and students can enter events and publish them university-wide.  
MyUni is the personalised section of USYDnet. All staff and students are provided with access to MyUni through a login name and password. This enables them to customise the information they see and also receive delivery of personal information such as exam results and seat numbers. MyUni is a portal from which students and staff can complete tasks that were previously only possible offline. Web enrolment variation is one of the first of many facilities that are helping to move the every day tasks of all members of the university online.

Glossary

This glossary describes terminology in use at the University of Sydney.

Academic Board
The Academic Board is the senior academic body within the University. In conjunction with Faculties, the Academic Board has responsibility for approving, or recommending to Senate for approval, new or amended courses and Units of Study (UoSs), and policy relating to the admission of students. (For further information, see the University Calendar)

Academic Cycle
The Academic Cycle is the program of teaching sessions offered over a year. Currently the cycle runs from the enrolment period for 1st Semester through to the completion of the processing of results at the end of 2nd Semester. (See also Stage)

Academic Record
The Academic Record is the complete academic history of a student at the University. It includes, among other things, personal details, all Units of Study and Courses taken, assessment results (marks and grades), awards and prizes obtained, infringements of progression rules, approvals for variation in course requirements and course leave, thesis and supervision details.

Access to a student's Academic Record is restricted to authorised University staff. A student's Academic Record is not released to a third party without the written authorisation of the student. (See also Academic Transcript)

Academic Transcript
An Academic Transcript is a printed statement setting out a student's academic record at the University. There are two forms of Academic Transcripts: External and Internal. (See also External Transcript, Internal Transcript)

Academic Year
An Academic Year is a normal full-time program taken in a course in a year. Some courses consist of stages, which may readily be equated with Academic Year. Others use the aggregation of credit points to do this (eg, 48 credit points = an Academic Year). (See also Academic Cycle, Stage)

Addresses
All enrolled students need to have a current postal address recorded on FlexSIS to which all Official University correspondence is sent. (See also Business Address, Permanent Home Address, Semester Address, Temporary Address)

Admission
Admission is governed by the University's Admission Policy and is the process for identifying applicants eligible to receive an initial offer of enrolment in a course at the University. Admission to most courses is based on performance in the HSC with applicants ranked on the basis of their UAI. Other criteria such as a portfolio, interview, audition, or results in standard tests may also be taken into account for certain courses.

Admission (deferment)
An applicant who receives an offer of admission to a course may apply to defer enrolment in that course for one semester or one academic cycle.

Admission Basis
The main criterion used by a Faculty in assessing an application for admission to a course. The criteria used include, among other things, previous secondary, TAFE or tertiary studies, work experience, Special Admission and the Universities Admission Index (UAI).

Admission Mode
Admission Mode is a classification based on how a student was admitted to a course, for example ‘UAC or ‘direct’.

Admission Period
The period during which applications for admission to courses are considered. The main Admission Period takes place before the first semester, but there may also be an Admission Period for mid year applicants before the beginning of the second semester and other Admission Periods.

Admission Reply
A code used by FlexSIS to indicate whether an applicant who has received an offer has accepted the offer or not.

Admission Result
A code used by FlexSIS to indicate the result of a direct application to study at the University (eg, Offer, Unsuccessful Withdrawn).

Admission Year
The year the student began the course.

Advanced Diplomas
(See Award Course)

Advanced Standing
(See Credit)

Advisor
A member of academic staff appointed in an advisory role for some postgraduate coursework students. (See also Associate Supervisor, Instrumental Supervisor (teacher), Research Supervisor, Supervision)

Annual Progress Report
The Annual Progress Report is a form issued by Faculties which is used to monitor a research student's progress each year. The form provides for comments by the student, the Supervisor, the Head of the Department and the Dean (or nominee). The completed form is attached to the student's official file.

FlexSIS records that the form has been sent out and that it has been satisfactorily completed.

APA
Australian Postgraduate Awards. (See also Scholarships, UPA)

Appeals
Students may lodge appeals against academic or disciplinary decisions. FlexSIS will record an academic appeal (eg, against exclusion) while they are under consideration and will record the outcome of the appeal. Disciplinary (that is, non-academic) appeals are not recorded on FlexSIS.

Assessment
The process of measuring the performance of students in UoSs and courses. The assessment of performance in a UoS may include examinations, essays, laboratory projects, or assignments. (See also Board of Examiners, Result Processing, Result Processing Schedule)

Associate Supervisor
A person who is appointed in addition to the Supervisor of a research student who can provide the day-to-day contact with the candidate or provide particular expertise or additional experience in supervision. (See also Advisor, Instrumental Supervisor (teacher), Research Supervisor, Supervision)

Assumed Knowledge
For some Units of Study, a student is assumed to have passed a relevant subject at the HSC and this is called Assumed Knowledge. While students are generally advised against taking a Unit of Study for which they do not have the assumed knowledge, they are not prevented from enrolling in the Unit of Study. (See also Prerequisite)
Glossary

Attendance Mode
Refers to whether a Unit of Study is taken by the student internally (i.e., by attending classes at a campus of the university) or externally (i.e., remotely by correspondence or other distance education means). While most Units of Study are offered internally, the Faculty of Health Sciences and the Orange Agricultural College offer Units of Study externally.

Attendance Type
Refers to whether the student is studying part-time or full-time. For coursework students this is a function of course load - i.e., the proportion being undertaken by the student of the normal full-time load specified for the course in which the student is enrolled. To be considered full-time, a coursework student must undertake at least 0.75 of the normal full-time load over the academic cycle or at least 0.375 if only enrolling in half of an academic year (one semester). It is important to note, however, that, for some purposes, to be considered full-time a student may need to be enrolled in at least 0.375 in each session. Research students, with the approval of their Faculty, nominate whether they wish to study part-time or full-time.

The Attendance Status is then recorded on FlexSIS as part of the application or enrolment process.

(See also Coursework, Student Load)

AusAID

(See also Compulsory Subscriptions)

Compulsory Subscription Waiver Provision
Certain students over a certain age or with disabilities or medical conditions may be exempted from the subscription to the sports body.

Students with a conscientious objection to the payment of subscriptions to Unions of any kind may apply to the Registrar for exemption. The Registrar may permit such a student to make the payment to the Jean Foley Bursary Fund instead.

(See also Compulsory Subscriptions)

Compulsory Subscriptions
Each enrolled student is liable to pay annual (or semester) subscriptions as determined by the Senate to the student organisations at the University. These organisations are different on different campuses. There are different organisations for undergraduate and postgraduate students.

At the Main Campus, compulsory submissions depend on the level of study:

- Undergraduate - the University of Sydney Union, Students Representative Council (SRC) and the University Men’s Sports Union or the University Women’s Sports Association.
- Postgraduate - the University of Sydney Union and the Sydney University Postgraduate Representative Association (SUPRA).

At other campuses, student organisations include:

- student organisations at Orange Agricultural College and the Sydney College of the Arts.

(See also Compulsory Subscription Rates, Compulsory Subscription Waiver Provision, Joining Fee, Life membership)
Confirmation of Enrolment Status Form
A Confirmation of Enrolment Status Form is issued to students after enrolment showing the course and the UoSs they are enrolled in, together with the UoS credit point value of the UoSs and the HECS weights. Until all fees are paid, it is issued provisionally.
A new Confirmation of Enrolment form is produced every time a student's enrolment is varied. For Postgraduate Research students the form also lists candidature details and Supervisor information.
Where students have an appointed adviser, the adviser information is also shown.

Convocation
Convocation is the body comprising all graduates of the University.

Core Unit of Study
A Unit of Study (UoS) that is compulsory for the course or subject area.

Corequisite
A Corequisite is a Unit of Study, which must be taken in the same semester or year as a given Unit of Study (unless it has already been completed). These are determined by the Faculty or Board of Studies concerned, published in the Faculty Handbook and shown in FlexSIS.

Course
(See Award Course)

Course Alias
Each course in FlexSIS is identified by a unique five-digit Alpha-Numeric code.

Course Code
(See Course Alias)

Course Leave
Students (undergraduate and postgraduate) are permitted to apply for a period away from their course without losing their place. Course leave is formally approved by the supervising Faculty for a minimum of one semester and recorded on FlexSIS (leave for periods of less than one semester should be recorded internally by the Faculty). Students on leave are regarded as having an active candidature, but they are not entitled to a student card. At undergraduate level leave is not counted towards the total length of the course. Students who are absent from study without approved leave may be discontinued and may be required to reapply for re-admission. In respect of research students the term 'Suspension of Candidature' was previously used to describe students on course leave.

Course (Research)
A classification of courses in which students undertake supervised research leading to the production of a thesis or other piece of written or creative work over a prescribed period of time. The research component of a research course must comprise 66% or more of the overall course requirements.

Course Rules
Course Rules govern the allowable enrolment of a student in a Course; e.g. a candidate may not enrol in Units of Study having a total value of more than 32 credit points per semester. Course Rules also govern the requirements for the award of the Course; e.g. a candidate must have completed a minimum of 144 credit points. Course Rules may be expressed in terms of types of Units of Study taken, length of study, and Credit Points accumulated.

Course Suspension
(See Course Leave)

Course Transfer
A Course Transfer occurs where a student changes from one course in the University to another course in the University without the requirement for an application and selection (e.g. from a PhD to a Master's program in the same Faculty).

Credit
Credit Points
Credit Points are a measure of value indicating the contribution each Unit of Study provides towards meeting course completion requirements stated as a total Credit Point value. Each Unit of Study will have a Credit Point value assigned to it, normally in the range 3 to 24. Resolutions of Senate set the number and level of Credit Points required for graduation.

Cross-institutional Enrolment
Cross-institutional Enrolment is an enrolment in Units of Study at one university to count towards an award course at another university. Cross-institutional enrolments incur a HECS liability or tuition fee charge at the institution at which the UoS is being undertaken. Students may apply for permission to enroll at another university with prior approval from the Academic Board of the University. Students who do not pay fees by these deadlines may have their enrolment cancelled or they may have a barrier placed on the release of their record.

Dean
The head of a Faculty or the principal or director of a College (such as the Conservatorium of Music or the Sydney College of the Arts).

Dean's Certificate
A statement from the Dean certifying that all requirements, including fieldwork and practical work, have been met and that the student is eligible to graduate. Not all Faculties use Deans’ Certificates. In Faculties that do, qualified students have 'Dean’s Certificate' noted on their academic record.

Course Type
Course Type is a DETYA code.

Coursework
Coursework is a classification used to describe those courses that consist of UoSs rather than research work. All Undergraduate courses are coursework programs. Postgraduate courses can be either research courses or coursework courses.

Credit
Credit may be granted as specific credit or non-specific credit.

Specific credit is the recognition of previously completed studies as directly equivalent to UoSs. Specific credit is recorded on FlexSIS as credit for a particular UoS or UoSs.

Non-Specific credit takes the form of a ‘block credit’ for a specified number of credit points at a particular level (e.g. 12 Junior level credit points). These credit points may be in a particular subject area. The credit is not linked to a specific UoS.

(See also Waiver)

Credit Points
Credit Points are a measure of value indicating the contribution each Unit of Study provides towards meeting course completion requirements stated as a total Credit Point value. Each Unit of Study will have a Credit Point value assigned to it, normally in the range 3 to 24. Resolutions of Senate set the number and level of Credit Points required for graduation.

Cross-institutional Enrolment
Cross-institutional Enrolment is an enrolment in Units of Study at one university to count towards an award course at another university. Cross-institutional enrolments incur a HECS liability or tuition fee charge at the institution at which the UoS is being undertaken. Students may apply for permission to enroll at another university with prior approval from the Academic Board of the University. Students who do not pay fees by these deadlines may have their enrolment cancelled or they may have a barrier placed on the release of their record.

(See also Barier)

Dean
The head of a Faculty or the principal or director of a College (such as the Conservatorium of Music or the Sydney College of the Arts).

Dean's Certificate
A statement from the Dean certifying that all requirements, including fieldwork and practical work, have been met and that the student is eligible to graduate. Not all Faculties use Deans’ Certificates. In Faculties that do, qualified students have 'Dean’s Certificate' noted on their academic record.

Glossary

Deferment
(See Admission (deferment), Leave)

Degree
(See also Award Course, Bachelor’s Degree)

Department
For the purposes of FlexSIS, a Department is the academic unit, which is responsible for teaching and examining a UoS. It may be called a School, a Department, a Centre or a Unit within the University.

(See also Award Course)

Direct Admissions
For some courses, applications may be made directly to the University. Applications are received by Faculties or the International Office, registered on FlexSIS and considered by the relevant Department or Faculty body. Decisions are recorded on FlexSIS and FlexSIS produces letters to applicants advising them of the outcome.
(See also Admission, UAC Admissions)

Disability Information
Students may inform the University of any temporary or permanent disability, other than a financial disability, which affects their life as a student. Disability Information is recorded in FlexSIS but it is only visible to particular authorised users because of its sensitive nature.

Discipline Codes
Discipline Codes are four-letter codes for each area of study available at the university (eg. CHEM Chemistry, ECON Economics)

Discipline Group
A DETYA code used to classify UoSs in terms of the subject matter being taught or being researched.

Discontinuation (Course)
(See Enrolment Variation)

Doctor of Philosophy (PhD)
(See Award Course, Doctorate, PhD)

Doctorate
The Doctorate and the PhD are high-level postgraduate awards available at the University of Sydney. A Doctorate course normally involves research and coursework; the candidate submits a thesis that is an original contribution to the field of study. Entry to a Doctorate course often requires completion of a Master’s degree course. Note that the Doctorate course is not available in all Departments at the University of Sydney.
(See also Award Course, PhD)

Earliest date
(See Research Candidature)

EFTSU
The Equivalent Full-Time Student Unit (EFTSU) is a measure of student load expressed as a proportion of the workload for a standard annual program for a student undertaking a full year of study in a particular award course. A student undertaking the standard annual program of study (normally 48 credit points) generates one EFTSU.

EFTYR
The Effective Full-time Enrolment Year (EFTYR) is a calculation of how long, in terms of equivalence to full-time years of enrolment, a student has been enrolled in a course. If a student has always been full-time, the calculation is straightforward (for example, the fifth year of enrolment is EFTYR 5). If the student has had a mixture of part-time and full-time enrolment, this can be equated with an EFTYR.
(See also Stage)

Enrolment
A student enrolls in a course by registering with the Supervising Faculty in the Units of Study to be taken in the coming year, semester or session. The student pays whatever fees are owing to the University by the deadline for that semester. New students currently pay on the day they enrol which is normally in early February. Students already in a course at the University re-enrol each year or semester; for most students Pre-enrolment is required.
(See also Pre-enrolment)

Enrolment Non Award
Non Award enrolment is an enrolment in a Unit or Units of Study, which does not count towards a formal award of the University. Normally Tuition Fees are levied on non-award Units of Study.

Enrolment Status
A student’s enrolment status is either:
- Enrolled; or
- Not enrolled

An enrolment status is linked to an enrolment status reason or category.

Enrolment Status Reason/ Category
Not enrolled status reasons/categories include: Withdrawn, Totally Discontinued, Cancelled, on Leave (suspended), Transferred, Lapsed, Terminated, Qualified and Conferred.

Enrolment Variation
Students may vary their enrolment at the beginning of each semester. Each Faculty determines its deadlines for variations, but HECS liability depends on the HECS Census Date. (See also HECS)

Enrolment Year
See EFTYR, Stage

Examination
See Examination Paper Code, Examination Period, Supplementary Exams

Examination Paper Code
A code that identifies each individual examination paper. Used to help organise examinations.

Examination Period
The Examination Period is the time set each semester for the conduct of formal examinations.

Exchange Student
An Exchange student is either a student of this University who is participating in a formally agreed program involving study at an overseas university or an overseas student who is studying here on the same basis. The International Office provides administrative support for some exchanges.

Students at this University will have recorded on their academic record the fact that they have participated in an exchange program.
Exclusion
The Faculty may ask a student whose academic progress is considered to be unsatisfactory to Show Cause why the student should be allowed to re-enrol. If the Faculty deems the student's explanation unsatisfactory or if the student does not provide an explanation the student may be excluded either from a Unit of Study or from a course. An excluded student may apply to the Faculty for permission to re-enrol. Normally at least two years must have elapsed before such an application would be considered.

University policy relating to exclusion is set out in the Calendar.  
(See also Senate Appeals)
External
See Attendance Mode
External Transcript
An External Transcript is a certified statement of a student's academic record printed on official university security paper. It includes the student's name, any credit granted, all courses the student was enrolled in and the final course result and all Unit of Study results attempted within each course together with the Unit of Study result (but not any Unit of Study withdrawn). It also includes any scholarships or prizes the student has received. Two copies are provided to each student on graduation (one with marks and grades for each Unit of Study and one with grades only). External transcripts are also produced at the request of the student. The student can elect either to have marks appear on the transcript or not. 
(See also Academic Transcript, Internal Transcript)
Faculty
A Faculty, consisting mainly of academic staff members and headed by a dean, is a formal part of the University's academic governance structure, responsible for all matters concerning the award courses that it supervises (see the 1999 Calendar, pp 110-111). Usually, a Faculty office administers the Faculty and student or staff inquiries related to its courses. The Calendar sets out the constitution of each of the University's 17 Faculties.  
(See also Board of Studies, Supervising Faculty)

(See also Results)
Fee Paying Students

Fee Type
Fee Type can be International or Local.
FlexSIS

A Grade is a result outcome for a Unit of Study normally linked with a mark range. For example, in most Faculties, a mark in the range 85-100 attracts the Grade 'High Distinction' ('HD').
(See also Mark)
Graduand
A Graduand is a student who has completed all the requirements for an award course but has not yet graduated.  
(See also Graduation, Potential Graduand)
Graduate
A Graduate is a person who holds an award from a recognised tertiary institution.  
(See also Graduand, Graduation)

HECS
See Higher Education Contribution Scheme (HECS)
HECS Census Date
The date at which a student's enrolment, load and HECS liability are finalised before reporting to DETYA. The following dates apply:
• 1st Semester, 31 March
• 2nd Semester, 31 August
HECS Code
A code used by DETYA to identify the HECS status of a student (eg, 10 Deferred, 11 Upfront).
Higher Doctorates
(See Award Course)
Higher Education Contribution Scheme (HECS)
All students, except international students, local fee-paying students and holders of certain scholarships are obliged to contribute towards the cost of their education under the Higher Education Contribution Scheme (HECS). HECS liability depends on the load being taken. Current students, except possibly those who began their studies prior to 1997, have a HECS rate charged for each Unit of Study in their degree program which depends on the 'discipline group' it is in, and the 'band' to which the Government has assigned it. Theses are all determined annually by the Government.
Honorary Degrees
A degree Honoris Causa (translated from the Latin as 'for the purpose of honouring') is an honorary award, which is conferred on a person whom the University wishes to honour. A degree Ad Eundem Gradum (translated as 'at the same level') is awarded to a member of the academic staff who is not a graduate of the University in recognition of outstanding service to the University. The award of an honorary degree is noted on the person's academic record.
Honours
Some degrees may be completed 'with Honours'. This may involve either the completion of a separate Honours Year or additional work in the later years of the course or meritorious achievement over all years of the course. Honours are awarded in a Class (Class I, Class II, Class III) and sometimes there are two divisions within Class II
HSC
The HSC is the NSW Higher School Certificate, which is normally completed at the end of year 12 of secondary school. The UAI (Universities Admission Index) is a rank out of 100 that is computed from a student's performance in the HSC.
Glossary

In absentia
In absentia is Latin for ‘in the absence of. Awards are conferred in absentia when a graduand does not, or cannot, attend the graduation ceremony scheduled for them.

Those who have graduated in absentia may later request that they be presented to the Chancellor at a graduation ceremony. (See also Graduation)

Institutional Supervisor (teacher)
All students at the Conservatorium of Music and BMus students on the Camperdown campus have an instrumental teacher appointed. (See also Advisor, Associate Supervisor, Research Supervisor, Supervision.)

Internal
(See Attendance Mode)

Internal Transcript
An Internal Transcript is a record of a student’s academic record for the University’s own internal use. It includes the student's name, SID, address, all courses in which the student was enrolled and the final course result and all UoSs attempted within each course together with the UoS result. (See also Academic Transcript, External Transcript)

International Student
An International Student is required to hold a visa to study in Australia and may be liable for international tuition fees. Any student who is not an Australian or New Zealand citizen or a permanent resident of Australia is an international student. New Zealand citizens are not classified as international students but have a special category under HECS that does not permit them to defer their HECS liability. (See also Local Student, Student Type)

Joining Fee
Students enrolling for the first time pay, in addition, a joining fee for the University of Sydney Union or equivalent student organisation. (See also Compulsory Subscription)

Leave
(See Course Leave)

Life membership
Under some circumstances (eg, after five full-time years of enrolments and contributions) students may be granted life membership of various organisations, which means they are exempt from paying yearly fees. (See also Compulsory Subscription)

Load
Load for an individual student is the sum of the weights of all the UoSs in which the student is enrolled. (See also EFTSU, HECS)

Local Student
A Local Student is either an Australian or New Zealand citizen or Australian permanent resident. New Zealand citizens are required to pay their HECS upfront. (See also Fee type, HECS, International Student)

Major
A Major is a defined program of study, generally comprising specified Units of Study from later stages of the Award Course. Students select and transfer between Majors by virtue of their selection of Units of Study. One or more Minors may be prescribed in order to satisfy course requirements. (See also Award Course, Major and Stream)

Minor Timetable Clash
Used by FlexSIS to denote occasions when a student attempts to enrol in Units of Study which have so much overlap in the teaching times that it has been decided that students must not enrol in the units together.

Mark
An integer (rounded if necessary) between 0 and 100 inclusive, indicating a student's performance in a UoS. (See also Grade)

Master's Degree
A postgraduate award. Master’s degree courses may be offered by coursework, research only or a combination of coursework and research. Entry to the course often requires completion of an Honours year at an undergraduate level. (See also Award Course)

Method of candidature
A course is either a research course or a coursework course and so the Methods of Candidature are ‘Research’ and ‘Coursework’. (See also Course, Course (Research), Coursework)

Minor
A Minor is a defined program of study, generally comprising Units of Study from later stages of the Award Course and requiring a smaller number of Credit Points than a Major. Students select and transfer between Minors (and Majors) by virtue of their selection of Units of Study. One or more Minors may be prescribed in order to satisfy course requirements. (See also Award Course, Major and Stream)

Minor Timetable Clash
Used by FlexSIS to denote occasions when a student attempts to enrol in Units of Study which have some identical times of teaching.

Mutually Exclusive Units of Study
(See Prohibited Combinations of Units of Study)

MyUni
MyUni is a personalised space for staff and students on the University of Sydney's intranet, called USYDnet. MyUni is used to deliver information and services directly through a central location, while also allowing users to customise certain information. Students are able to access such services as Exam Seat Numbers, Results, Timetables and FlexSIS Enrolment Variations on MyUni.

Non Award
(See Enrolment - Non Award)

OPRS
Overseas Postgraduate Research Scholarship.

Orientation Week
Orientation or ‘O Week’, takes place during the week prior to lectures in Semester 1. During O Week, students can join various clubs, societies and organisations, register for courses with departments and take part in activities provided by the University of Sydney Union.

Part-time student
(See Attendance States, EFTSU)

Permanent Home Address
The Permanent Home Address is the address for all official University correspondence both inside and outside of Semester time (eg, during Semester breaks), unless overridden by Semester Address. (See also Addresses, Business Address, Semester Address, Temporary Address)

PhD
The Doctor of Philosophy (PhD) and other Doctorate awards are the highest awards available at the University of Sydney. A PhD course is normally purely research-based; the candidate submits a thesis that is an original contribution to the field of study. Entry to a PhD course often requires completion of a Master’s degree course. Note that the PhD course is available in most departments in the University of Sydney. (See also Award Course, Doctorate)

Postgraduate
A term used to describe a course leading to an award such as Graduate Diploma, a Master's Degree or PhD, which usually requires prior completion of a relevant undergraduate degree (or diploma) course. A 'postgraduate' is a student enrolled in such a course.

Potential Graduand
Potential Graduands are students who have been identified as being eligible to graduate on the satisfactory completion of their current studies. (See also Graduand, Graduation)

28
Pre-enrolment
Pre-enrolment takes place in October for the following year. Students indicate their choice of UoS enrolment for the following year. After results are approved, registered students are regarded as enrolled in those UoSs they chose for which they are qualified. Their status is 'enrolled' and remains so provided they pay any money owing or comply with other requirements by the due date. Re-enrolling students who do not successfully register in their Units of Study for the next regular session are required to attend the University on set dates during the January/February enrolment period. Pre-enrolment is also known as Provisional Re-enrolment. (See also Enrolment)

Prerequisite
A prerequisite is a Unit of Study that is required to be completed before another UoS can be attempted. (See also Assumed Knowledge, Corequisite, Waiver)

Prizes
Prizes are awarded by the University, a Faculty or a Department for outstanding academic achievement. Full details can be found in the University Calendar.

Probationary Candidature
A Probationary Candidate is a student who is enrolled in a postgraduate course on probation for a period of time up to one year. The Head of Department is required to consider the candidate's progress during the period of probation and make a recommendation for normal candidature or otherwise to the Faculty.

Progression
(See Course Progression)
Prohibited Combinations of Units of Study
When two or more Units of Study contain a sufficient overlap of content, enrolment in any one such Unit prohibits enrolment in any other identified Unit. A Unit related in this way to any other Unit is linked in Tables of Units of Study via use of the symbol N to identify related prohibited Units.

Provisional Re-enrolment
(See Pre-enrolment)
Qualification
A qualification is an academic attainment recognised by the University.

Registrar
The Registrar is responsible to the Vice-Chancellor for the keeping of official records and associated policy and procedures within the University. (See the University Calendar for details.)

Registration
In addition to enrolling with the Faculty in Units of Study, students must register with the Department responsible for teaching each unit. This is normally done during Orientation Week. Note that unlike enrolment, registration is not a formal record of Units attempted by the student.

Research Course
(See Course (Research))
Research Supervisor
A Supervisor is appointed to each student undertaking a research postgraduate degree. The person will be a full-time member of the academic staff or a person external to the University appointed in recognition of their association with the clinical teaching or the research work of the University. A Research Supervisor is commonly referred to as a Supervisor. (See also Advisor, Associate Supervisor, Instrumental Supervisor (teacher), Supervision)

Resolutions of Senate
Regulations determined by the Senate of the University of Sydney that pertain to degree and diploma course requirements and other academic or administrative matters.

Result Processing
Refers to the processing of assessment results for UoSs. Departments tabulate results for all assessment activities of a UoS and assign preliminary results for each UoS. Preparatory results are considered by the relevant Board of Examiners, which approves final results. Students are notified of results by result notices that list final marks and grades for all UoSs. (See also Assessment, Examination Period)

Result Processing Schedule
The Result Processing Schedule will be determined for each Academic Cycle. It is expected that all Departments and Faculties will comply with this schedule. (See also Assessment, Examination Period, Result Processing)

Results
The official statement of the student's performance in each Unit of Study attempted, as recorded on the academic transcript, usually expressed as a grade.

HD
High Distinction, a mark of 85-100

D
Distinction, a mark of 75-84

CR
Credit, a mark of 65-74

P
Pass, a mark of 50-64

Satisfied requirements. This is used in Pass/Fail only outcomes

UCN
Unit of Study continuing. Used at the end of semester for UoSs that have been approved to extend into a following semester. This will automatically flag that no final result is required until the end of the last semester of the UoS.

PCON
Pass (Concessional), a mark of 46-49. Use of this grade is restricted to those courses that allow for a Concessional Pass of some kind to be awarded. A student may re-enrol in a Unit of Study for which the result was PCON. Each faculty will determine and state in its course regulations what proportion, if any, may count - eg, 'no more than one sixth of the total credit points for a course can be made up from PCON results'.

F
Fail. This grade may be used for students with marks from 46-49 in those faculties which do not use PCON.

AF
Absent Fail. Includes non-submission of compulsory work (or non-attendance at compulsory labs etc) as well as failure to attend an examination.

W
Withdrawn. Not recorded on an external transcript. This is the result that obtains where a student applies to discontinue a Unit of Study by the HECS Census Date (ie, within the first four weeks of enrolment).

DNF
Discontinued - Not to count as failure. Recorded on external transcript. This result applies automatically where a student discontinues after the HECS Census Date but before the end of the seventh week of the semester (or before half of the Unit of Study has run, in the case of Units of Study which are not semester-length). A faculty may determine that the result of DNF is warranted after this date if the student has made out a special case based on illness or misadventure.

DF
Discontinued - Fail. Recorded on transcript. This applies from the time DNF ceases to be automatically available up to the cessation of classes for the Unit of Study.

MINC
Incomplete, with a mark of at least 50. This result may be used when examiners have grounds (such as illness or misadventure) for seeking further information or for considering additional work from the student before confirming the final mark and passing grade. Except in special cases approved by the Academic Board, this result will be converted to a normal passing mark and grade either:
(a) by the Dean at the review of examination results conducted pursuant to section 2 (4) of the Academic Board policy 'Examinations and Assessment Procedures'; or
Glossary

(b) automatically to the indicated mark and grade by the third week of the immediately subsequent academic session. Deans are authorised to approve the extension of a MINC grade for individual students having a valid reason for their incomplete status.

INC
Incomplete. This result is used when examiners have grounds (such as illness or misadventure) for seeking further information or for considering additional work from the student before confirming the final result. Except in special cases approved by the Academic Board, this result will be converted to a normal permanent passing or failing grade either:
(a) by the Dean at the review of examination results conducted pursuant to section 2 (4) of the Academic Board policy 'Examinations and Assessment Procedures'; or
(b) automatically to an AF grade by the third week of the immediately subsequent academic session. Deans are authorised to approve the extension of a MINC grade for individual students having a valid reason for their incomplete status.

UCN
Incomplete. A MINC or INC grade is converted, on the advice of the Dean, to UCN when all or many students in a Unit of Study have not completed the requirements of the Unit. The students may be engaged in practicum or clinical placements, or in programs extending beyond the end of semester (eg, Honours).

Scholarships
Scholarships are financial or other forms of support made available by sponsors to assist Australian and international students to pursue their studies at the University. When a student's means are a criterion, scholarships are sometimes called bursaries. (See also Prizes)

School
(See Department)

SCR
System Change Request.

Semester
A semester is the Academic Teaching period of approximately 14 weeks duration. All Units of Study have been semesterised, both at the undergraduate and postgraduate level, except for those components of final honours year or postgraduate courses relating to thesis or other similar research oriented projects for which two or more semesters are normally assigned for completion. Units of Study are taught and examined in either the first semester or the second semester (or in both semesters if the course is offered twice).

Semester Address
The Semester Address is the address to which all Official University correspondence is sent during semester time, if it is different to the Permanent Address. Unless overridden by a Temporary Address all Official University correspondence during Semester (including Session 4 for students enrolled in Summer School) will be sent to this address. (See also Addresses, Business Address, Permanent Home Address, Temporary Address)

Senate
The Senate of the University is the governing body of the University. (See the University Calendar)

Session
A session is a defined teaching period of the University. The two major sessions are called semesters and are defined by the DETYA HECS Census date they contain (eg, first and second semester). The Academic Board must approve variation to the normal session pattern.

Session Address
(See Semester Address)

Special Consideration
Candidates who have medical or other serious problems, which may affect performance in any assessment, may request that they be given Special Consideration in relation to the determination of their results.

They can obtain an official form from the Student Centre. The Student Centre stamps the form and the medical or other documentation. The student gives a copy of the material to the Student Centre staff and takes copies to the relevant Departments. The student retains the originals. The dates for which Special Consideration is sought are recorded on FlexSIS and printed on the Examination Register.

Special Permission
(See Waiver)

Sponsorship
Sponsorship is the financial support of a student by a Company or Government body. Sponsors are frequently invoiced directly.

Stage
For the purposes of administration, a course may be divided into stages to be studied consecutively. The stages may be related to sessions or they may relate to an Academic Cycle. Part time students progress through a course more slowly and would often enrol in the same stage more than once.

Status
Status is a variable for students both with relation to Course and Unit of Study. With relation to Course, students can have the status of Enrolled or Not Enrolled. Not Enrolled reasons can be Totally Discontinued, Withdrawn, Suspended, Cancelled, Awarded, etc. With relation to Unit of Study, students can have the status of CURENR or WITHDN, Discontinued, etc.

Stream
A Stream is a defined program of study, selected from a table of Units of Study. Students enrolled in award courses that involve streams will have the stream recorded in their enrolment record. A student generally enters streams at the time of admission, although some award courses require students to enrol in streams after the completion of Level 1000. Students may transfer between Streams by altering their enrolment status within their Award Course, but only when permitted to do so by Faculty Resolution. (See also Award Course, Major and Minor)

Student ID card
All students who enrol are issued with an identification card. The card includes the student name, SID, the course code, and a library borrower's bar code. The card identifies the student as eligible to attend classes and must be displayed at formal examinations. It must be presented to secure student concessions and to borrow books from all sections of the University Library.

Student Identifier (SID)
A nine-digit number which uniquely identifies a student at the University.

Student Load
(See Load)

Study Abroad Program
A scheme administered by the International Education Office which allows international students who are not part of an exchange program, to study UoSs at the University of Sydney, but not towards an award program. In most cases the UoSs studied here are credited towards an award at their home institution. (See also Exchange Student)
Subject Area
A Unit of Study may be associated with one or more Subject Areas. The Subject Area can be used to define Prerequisite and Course Rules - eg, the Unit of Study 'History of Momoyama and Edo Art' may count towards the requirements for the Subject Areas 'Art History and Theory' or 'Asian Studies'.

Supervising Faculty
The Supervising Faculty is the Faculty which has the responsibility for managing the academic administration of a particular course ie, the interpretation and administration of course rules, approving students' enrolments and variations to enrolments. Normally the supervising Faculty is the Faculty offering the course. However, in the case of combined courses, one of the two Faculties involved will usually be designated the Supervising Faculty at any given time. Further, in the case where one course is jointly offered by two or more Faculties (eg, the Liberal Studies course) a Joint Committee may make academic decisions about candidature and the student may be assigned a Supervising Faculty for administration.

The International Office has a supporting role in the administration of the candidatures of international students and alerts the Supervising Faculty to any special conditions applying to these candidatures (eg, that enrolment must be full-time).
(See also Board of Studies)

Supervision
Supervision refers to a one to one relationship between a student and a nominated member of the academic staff or a person specifically appointed to the position.
(See also Advisor, Associate Supervisor, Instrumental Supervisor (teacher), Research Supervisor)

Supplementary Examination
(See Supplementary Exams)

Supplementary Exams
Supplementary exams may be offered by Faculties to students who fail to achieve a passing grade or who were absent from assessment due to illness or misadventure.

Suppression of Results
Results for a particular student can be suppressed by the University for the following reasons:
• the student has an outstanding debt to the University
• the student is facing disciplinary action.

Suspension
(See Course Leave)

Teaching Department
(See Department)

Temporary address
Students may advise the University of a Temporary Address. Correspondence will be sent to this address between the dates specified by the student.
(See also Addresses, Business Address, Permanent Home Address, Semester Address)

Testamur
A testamur is a certificate of award provided to a graduate usually at a graduation ceremony.

Thesis
A thesis is a major work that is the product of an extended period of supervised independent research.
'Earliest date' is the earliest date at which a research student can submit the thesis.

Latest date' is the latest date at which a research student can submit the thesis.

Timetable
Timetable refers to the schedule of lectures, tutorials, laboratories and other academic activities that a student must attend.

Tuition Fees
Tuition fees may be charged to students in designated tuition fee-paying courses. Students who pay fees are not eligible for HECS.

UAC
The Universities Admissions Centre (UAC) receives and processes applications for admission to undergraduate courses at recognised universities in NSW and the ACT. Most commence their studies at the University apply through UAC.

UAC Admissions
Most local undergraduates (including local undergraduate fee payers) apply through the Universities Admission Centre (UAC).

UAC Admissions Office coordinates the processing of UAC applicants with Faculties and Departments and decisions are recorded on the UAC system.

Applicants are notified by UAC and an electronic file of applicants who have been made offers of admission to courses at the University is loaded onto FlexSIS.
(See also Admission, Direct Admissions)

UAI (Universities Admission Index)
The Universities Admission Index (UAI) is a number between 0.00 and 100.00 with increments of 0.05. It provides a measure of overall academic achievement in the HSC that assists universities in ranking applicants for university selection. The UAI is based on the aggregate of scaled marks in ten units of the HSC.

Undergraduate
A term used to describe a course leading to a Diploma or Bachelor's Degree. An 'undergraduate' is a student enrolled in such a course.

Unit of Study (UoS)
A Unit of Study is the smallest stand-alone component of a student's course that is recordable on a student's transcript. UoSs have an integer credit point value, normally in the range 3-24. Each approved UoS is identified by a unique sequence of eight characters, consisting of a four character alphabetical code which usually identifies the Department or subject area, and a four character numeric code which identifies the particular UoS. Units of Study can be grouped by subject and level.
(See also Core Unit of Study, Course, Major)

Unit of Study Enrolment Status
The UoS Enrolment Status indicates whether the student is still actively attending the UoS (ie, currently enrolled) or is no longer enrolled (withdrawn or discontinued)

Unit of Study Group
A grouping of Units of Study within a course. The Units of Study which make up the groups are defined within FlexSIS.

Unit of Study Level
Units of Study are divided into Junior, Intermediate, Senior, Honours, 5th Year, and 6th Year. Most Majors consist of 32 Senior Credit Points in a subject area (either 3000 level Units of Study or a mix of 2000 and 3000 level Units of Study).

University
Unless otherwise indicated, University in this document refers to the University of Sydney.

University Medal
A Faculty may recommend the award of a University Medal to students qualified for the award of an undergraduate Honours degree or some Masters degrees, whose academic performance is judged outstanding.

UoS
(See Unit of Study)

UPA
University Postgraduate Award.

*(See also Credit)*

**Weighted Average Mark (WAM)**
The Weighted Average Mark (WAM) is the average mark in the UoSs completed, weighted according to credit point value and level. The formulae used to calculate the WAMs are course-specific: there are many different WAMs in the University.
