20 July 2011

Welcome to the Workplace Research Centre Newsletter.

This weeks newsletter includes information on a recent research report conducted by the Workplace Research Centre in partnership with the National Institute of Labour Studies (NILS), as well as information on our upcoming conferences.

Don't forget.....the Happiness, Health and Wellbeing Conference early bird is closing on the 31st of July. Make sure to register before this date to receive a discount of \$100.

UPCOMING EVENTS

CONFERENCE

[Happiness, Health and Wellbeing @ Work](#)
9-5pm, Wed 14 September

The Happiness, Health and Wellbeing @ Work Conference is facilitated by some of Australia's leading experts on psychology, leadership and Human Resources. The conference, now in it's fifth year, presents the latest research and strategies on workplace health and wellbeing programs.

Visit the [Happiness, Health and Wellbeing @ Work Conference](#) site for more information and registration details.

CONFERENCE

[19th Annual Labour Law Conference](#)
9-5pm, Mon 1 Aug

This conference brings together some of Australia's leading labour law, IR researchers and practitioners to debate the key issues confronting labour law today.

CURRENT RESEARCH

RESEARCH

[Addressing the skills capacity crisis in road and rail engineering](#)

A recent research report conducted by the Workplace Research Centre in partnership with the National Institute of Labour Studies (NILS) has examined strategies to overcome the acute skills capacity crisis in road and rail engineering. The research was commissioned by the Australian National Engineering Taskforce which was formed in 2010 with the aim of creating a national strategy for the development of Australia's current and future engineering workforce.

RESEARCH

[How can we help all Australian workers to improve their health?](#)

The Workplace Research Centre is working collaboratively with the Boden Institute of Obesity, Nutrition, Exercise and Eating Disorders and the Workforce Education and Development Group in the Sydney Medical School to further our knowledge of how we can improve our health and wellbeing in the workplace.
