WORKPLACE RESEARCH CENTRE

Training

In House Training

Management & human resources skills development

The Workplace Research Centre is delighted to launch our In-House training offerings for 2010.

Programs most frequently requested by clients to be delivered In-House:

- Advocacy Skills
- Bullying & Harassment
- Workplace Investigations
- Performance Management
- Early Intervention in Conflict & Disputes

To discuss your development needs please [contact the WRC Training Manager](#).

Discounted rates available - [ASK ME HOW](#).

NB. public course registrations also [now opening](#).
For public courses - eg. intermediate & intro Advocacy - where registration is yet to open, our quick & easy [Expressions of Interest](#) are a no-obligation way of flagging demand within your organisation

Please view the latest *ER Series* calendar [here](#).
