### WRC 2009 Training

## Advocacy in the IR Tribunals

REGISTRATIONS ARE NOW OPEN

One of our most popular and longest-running courses, *Advocacy in the IR Tribunals*, provides a unique opportunity to develop the skills needed to advocate successfully before IR courts and commissions.

#### 12 week course begins 8th July 2009

Wednesdays, 5.30-7.30pm  
\$2420 inc. GST

Traditionally, advocates have appeared in federal and state industrial relations commissions, magistrates' courts and anti-discrimination tribunals. The advent of Fair Work Australia will bring some changes, however the need to plan successful appearances and to develop quality advocacy skills remains constant. This course is not for people wanting just to sit and listen, as you will be expected to prepare and appear before simulated moots.

Advocacy in the IR Tribunals will begin on July 8th, running on successive Wednesday evenings until September.

It is suitable to aspiring industrial advocates from employer and union backgrounds. Please note some prior employee relations experience is essential, while at least some prior experience as an advocate or preparing for industrial cases is strongly advised.

This course held only **once per year** and sells out every year. There will only be 30 places available in total so **[book today](#)** and don't miss out!
