... ut come ...
... perdit non ...
... quemadmodum serv. ...
... de serv. urba. pred. ...
... c. i. et l. si constituta ff.

quemadmodum serv. amit. [illegible] quod sit servitus in rebus in collecta servitute et aqua vera libertate constituta fruitur hominis et sic quia possessio [illegible] prescribentis ut in servitute stillicidii [illegible] posito quod stillicidio non utatur tamen non prescribo nisi de impediam in non usu et tunc exigitur bona fides ut dicit glo. in dicta l. si.

Quando sit servitus que ex simplici non usu tollitur nec aliquid factum vel quasi possessio exigitur ex parte prescribentis libertatem exemplum pone tantum in rusticis et tunc dicit quod non exigitur bona fides. Casus est in l. sed et si quis ff. de usucap. quia ibi perditur ius ex solo non usu nec ibi est aliquid quod queratur prescribenti quod dicit et credere de iure canonico per illa que dixi s. quod forte casus potest tolerari tenendo quod illa sit propria hic prescriptio si perditur ex non usu maxime cum hic non sit aliquid annexum factum prescribentis in quo possit prescribi quod non ex fide factum sit. Sed tenendo quod sit prescriptio idem esset dicendum quod dixi in personali quia hec iura similitudinem iniuste [illegible] ex fine acquisitionis quod in substantia procederet ubi prescriptio esset contra ius. allego per casum c. i. de prescr. li. vi.

Sed dicas non quod hec iura ponit prescribi spacio x annorum quia prout [illegible] referunt confessoria actio est nulla de dicto xxx an. in l. sicut C. de prescr. xxx an. Item quia et illis competit personalis ad restitutionem. Sed quod iste actiones tollantur ad consequentiam prescriptionis dominii non in l. corruptionem de usufruct. maxime in dicta l. si partem ff. quemadmodum serv. amit. Nunquid autem exigatur scientia vel patientia eius contra quem prescribitur. Sic exigitur in ea creandi glo. dicit quod non [illegible] non vacua etiam ex scientia currit prescriptio ut dicit glo. in l. cum constituta § i. et est casus in l. si partem § i. et C. de servitute l. sicut. Dicit tamen quod de errore facti ignorantia subvenitur ut ff. de serv. rust. pred. l. [illegible] quod credo [illegible] sed michi visum est [illegible] subvenitur quia non est [illegible] quia non ponitur [illegible] amittitur [illegible] ut est casus in l. si locus ff. quemadmodum serv. amitt. Venio ad tertium [illegible] videlicet quid in [illegible]

[illegible] non [illegible] actione tollenda [illegible] realis. Si [illegible] an non usu neglecta cum tempore dicendum quod [illegible]

[illegible]

[illegible] solvat [illegible] que debet [illegible] talia non sit quod [illegible] non liceat de prescr. [illegible] C. de prescr. xxx annorum l. comperit. Item innoc. de postu. prela. c. bone ii. quod [illegible] in multis locis dicit bar. quod quedam sit [illegible] liberum quod non recognoscit superiorem [illegible] facto. Sed non de iure sine quo [illegible] prescr. in c. per venerabilem qui filii sint legitimi.

Quandoque autem sit una [illegible] non debent superiori in signum superioritatis sed alio iure [illegible] vel debent [illegible] talia sunt que [illegible] in l. [illegible] et l. si usufr. ff. quemadmodum usufr. amitt. l. corruptionem et l. [illegible] C. de usufruct. Quarto quod [illegible] exigatur [illegible] libertas. Dic quod aut agitur de querenda libertate adversus actionem personalem competentem ad ius [illegible] per omnia quod in personali dixi s. [illegible] Sed prima opp. [illegible] in dicta l. corruptionem C. de usufruct. Aut agitur de prescribendo libertatem contra ius iam quesitum et [illegible] aut illo iure uti est in mea facultate quando voluero quia sic non est ordinando non utendo quia non volo dicere [illegible] non est prescriptibilis libertas. ut l. via § de via pu. et [illegible] cum in tua [illegible] ut non [illegible] in novell. de [illegible] ut [illegible] sup. glo. [illegible] in [illegible]

Aut non est in mea [illegible] libertate seu voluntate [illegible] quia ius habeo [illegible] tunc tollitur ius illud non usu x vel xx ut patet in l. corruptionem et in [illegible] legatis iuribus et tunc si talis [illegible] intervallatum in usu.

Si hec ius intervallatum in usu [illegible] ab illo tempore quo cedit ius incipit libertas prescriptio ex non usu et finiatur spacio x annorum [illegible] illo. Sed non per alios prescripcio et postea incipit a tempore [illegible] usus faciendus [illegible] ut dicta l. si quis emptionis § in hys ff. quemadmodum serv. amitt. l. si usufruct. Unde si alicuius [illegible] deberem [illegible] usufructum perdo libertatem [illegible] ad x annos inchoando a tempore quo debebam uti. Simili [illegible] quo debebam uti inchoando a tempore [illegible] usus expectabat et finiendo [illegible] ad x annos. Hec procedit de iure civili et canonico. Salvo quod in civitate [illegible] quia [illegible] non ampliat [illegible] intervallatione [illegible] canonico [illegible] est [illegible] xl annorum [illegible] in rebus [illegible] xl annis. Ideo si aliquis habet ius eligendi [illegible] vel [illegible] electionis non faciende [illegible] non [illegible] non usu amittit tale ius [illegible] electionis [illegible] faciende. Ideo a tempore electionis [illegible] si non [illegible] illo iure usque ad xl annos [illegible] ius.

[illegible] non [illegible] de l. iiii. ff. de usufruct. [illegible] [illegible] et [illegible] nemo [illegible] usucapi. l. ii. C. de servitut.

Exigitur ii° ad prescriptionem sua adversarii quod non est in [illegible] quia in ipsis habere possum possessionem [illegible] de [illegible] bar. in dicta l. i. in fi. hoc limitare potest [illegible] servitute [illegible] formatam non [illegible] C. de lon. temp. prescr. Et dicit [illegible] in [illegible] [illegible] constituta [illegible] [illegible] non exigitur [illegible] dominii.

Secus si solo usu vollo eam creare quod [illegible] [illegible] dum tamen [illegible] [illegible] et casus in l. si ego. § si de usufructu ff. de publiciana. Item dicit quod [illegible] in l. si de servitute [illegible] ad illud quod est dictum de [illegible] non ad id quod est de [illegible] vel ignota [illegible]

Si queritur dubitet an iura realia ex tempore querantur dicendum est quod sic. Si queritur quanto tempore exigatur ubi habet eam [illegible] [illegible] exigitur [illegible] tempus cuius non [illegible] memoria.

Si habet [illegible] de iure civili spacio x vel xx annorum. de iure canonico [illegible] spacio xl annorum quando id non repugnat. Si autem [illegible] repugnat ubi prescribi potest si adest [illegible] sufficit [illegible] xl. al. exigitur tantum tempus cuius in contrarium memoria [illegible] non existat.

[illegible] quod exigatur. dico quod de iure civili sufficit bona fides. [illegible] possessio bona fides exigitur pro hoc quod sciente et patiente illo cuius [illegible] [illegible] illo iure [illegible] et quod credat [illegible] iure suo uti et sic non vi non clam non precario. Si cogitatione [illegible] [illegible] possideat ut [illegible] in l. ii. C. de serv. et l. [illegible] de [illegible] pluvia.

De iure canonico [illegible] dicta requiruntur et ultra hoc si possessio [illegible] resistentia [illegible] exigitur [illegible] in [illegible] xl annorum.

In aliis prescriptionibus [illegible] [illegible] memoria [illegible] non exigitur [illegible] c. i. de prescr. li. vi.

Sed ad hoc [illegible] obviat quod sine possessione nulla [illegible] prescriptio ff. de usucapi. l. sine. de re. iur. [illegible] li. vi. [illegible]

In servitute [illegible] [illegible] non potest [illegible] possessio [illegible] ut dicta l. servitutes. non [illegible] quod possit prescribi.

[illegible] quemadmodum [illegible] an in [illegible] quod ex possessione procedat prescriptio et si ex possessione ex quibus dicitur quod in servitutibus [illegible] [illegible] procedit ex possessione. [illegible] tenendo quod hec quasi possessio [illegible] civilem et naturalem de quo dixi [illegible] de [illegible] in prima [illegible] bar. in l. i. ff. de acqui. poss. [illegible] et assignat [illegible] quod ille [illegible] succedit loco possessionis [illegible]
