By saying yes to being in this study, I am saying that:

- I know what I will be asked to do and have been given a Participant Information Statement to keep.
- I confirm that I am aged 18 years old or over.
- I know that this study is about what I think where I think ‘Western Sydney’ starts and ends on a map and what I think about ‘Western Sydney’ as an area of Sydney.
- I know that I am being asked about my views as an individual person and not as an employee or member of any organisation.
- Someone has talked to me about the study and what it means for me.
- I know that I will be asked to answer questions about ‘Western Sydney’ and to draw lines of a map of Sydney showing where I think ‘Western Sydney’ is.
- I know that I don’t have to be in the study if I don’t want to.

- I know that I can choose not to talk about something if I don't want to.
- I have been asked if it is ok or not ok to record what I say or do.
- I have been told that I can change my mind at any time if I don't want to take part anymore.
- I have been told that if I say yes or no it won't change how the study team feel about me.
- I know that what I say or do in this study is private and when the study team write about what they learn they won't use my name or anything that could tell other people who I am.
- I understand that the researcher will keep this form after I sign and return it, and that I can ask for a copy at any time.

Online interview option only – The interview will be recorded using the University's Zoom software which will capture the audio and video recording of your interview. The study team will only keep and use the audio recording of the interview for research and will securely delete the video recording after your interview finishes.

I have read the above details for the online interview option and agree to participate in the interview with the online option.
