- Business Information Systems;
- Business Statistics;
- Business Law;
- Economics;
- Entrepreneurship;
- Finance;
- Governance;
- Employment Relations and Human Resource Management;
- International Business;
- Marketing;
- Organisational Analysis and Strategy;
- Quantitative Finance;
- Strategic Management;
- Supply Chain and Logistics Management;
- Taxation;
- Transport Management.

Please Note: Although the same unit of study may be listed under more than one subject area (e.g. CLAW6026 is listed under Accounting, Business Law & Taxation), advanced (6000 coded) units of study cannot be counted towards more than one major. Students should also note that advanced units which are compulsory for the Master of Professional Accounting cannot also be counted towards major requirements (e.g. ACCT6001, ACCT6007, ACCT6010 and CLAW6002 which are listed under the Accounting major for the Master of Commerce, cannot be counted towards a major in Accounting within this combined degree).

For some of the majors listed above, students will need to complete particular foundation / 5000 level units of study as prerequisites. The required prerequisite units (where applicable) are listed in the requirements for each major.

Accreditation requirements

CPA Australia accreditation

Students who wish to apply for CPA Australia accreditation must complete in addition to the eight (8) compulsory units, the following units of study as electives in the Master of Professional Accounting program.

- CLAW6026 Concepts of Australian Taxation *
- ECMT5001 Principles of Econometrics

Handbook Errata

	<ul style="list-style-type: none"> • ECON5003 Economics for Accountants OR both ECON5001 Microeconomic Theory and ECON5002 Macroeconomic Theory • Either INFS5000 Business Information Systems OR INFS6001 BIS Management <p><i>* CPA Australia permits students to complete the equivalent of this unit as an elective option within the CPA Program if not completed at University.</i></p> <p>ICAA accreditation</p> <p>Students who wish to apply for ICAA accreditation must complete in addition to the eight (8) compulsory units of study, the following elective unit of study as part of the required four (4) electives in the Master of Professional Accounting program:</p> <ul style="list-style-type: none"> • CLAW6026 Concepts of Australian Taxation <p>Australian Computer Society (ACS) accreditation program</p> <p>Students planning to satisfy the entry requirements of the ACS should include in their award course a prescribed set of units of study, including a major in Business Information Systems. The required units of study are listed below:</p> <ul style="list-style-type: none"> • The unit of study Business Information Systems (INFS5000); and • At least five (5) advanced Business Information Systems (INFS 6000 level) elective units of study (30 credit points) <p>Australian Human Resources Institute (AHRI) accreditation</p> <p>AHRI is the national association representing human resource management professionals and is Australia's leading human resources professional body. All courses incorporating a major/specialisation in Employment Relations and Human Resource Management are AHRI-accredited. Students wishing to satisfy the requirements for professional membership of AHRI should include this major in their course. The required units of study for the major listed under the major <i>Employment Relations and Human Resource Management</i>.</p> <p>Entry requirements</p> <p>For entry into this degree, students must have completed a bachelor's degree, graduate diploma/certificate or equivalent from a recognised tertiary institution with a minimum credit (65 per cent) average.</p> <p>Duration of course</p> <p>Full-time: A typical full-time student will undertake three or four units of study per semester, completing the 16 units in four to five semesters (two to 2.5 years).</p> <p>Part-time: Students undertake one or two units per semester, typically completing the program in four to six years.</p>
