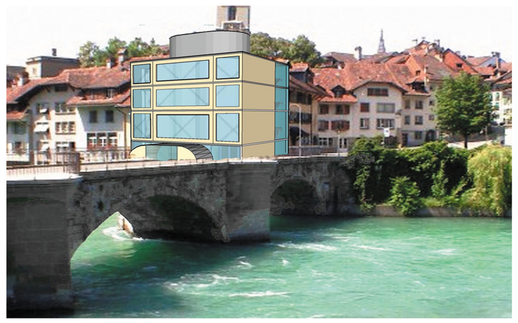
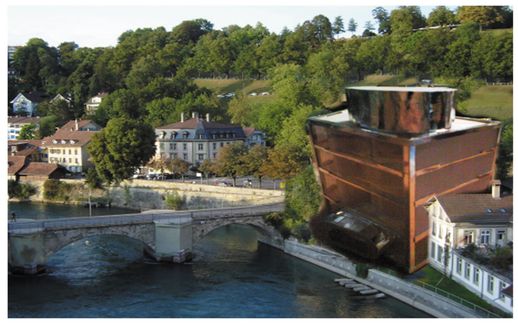
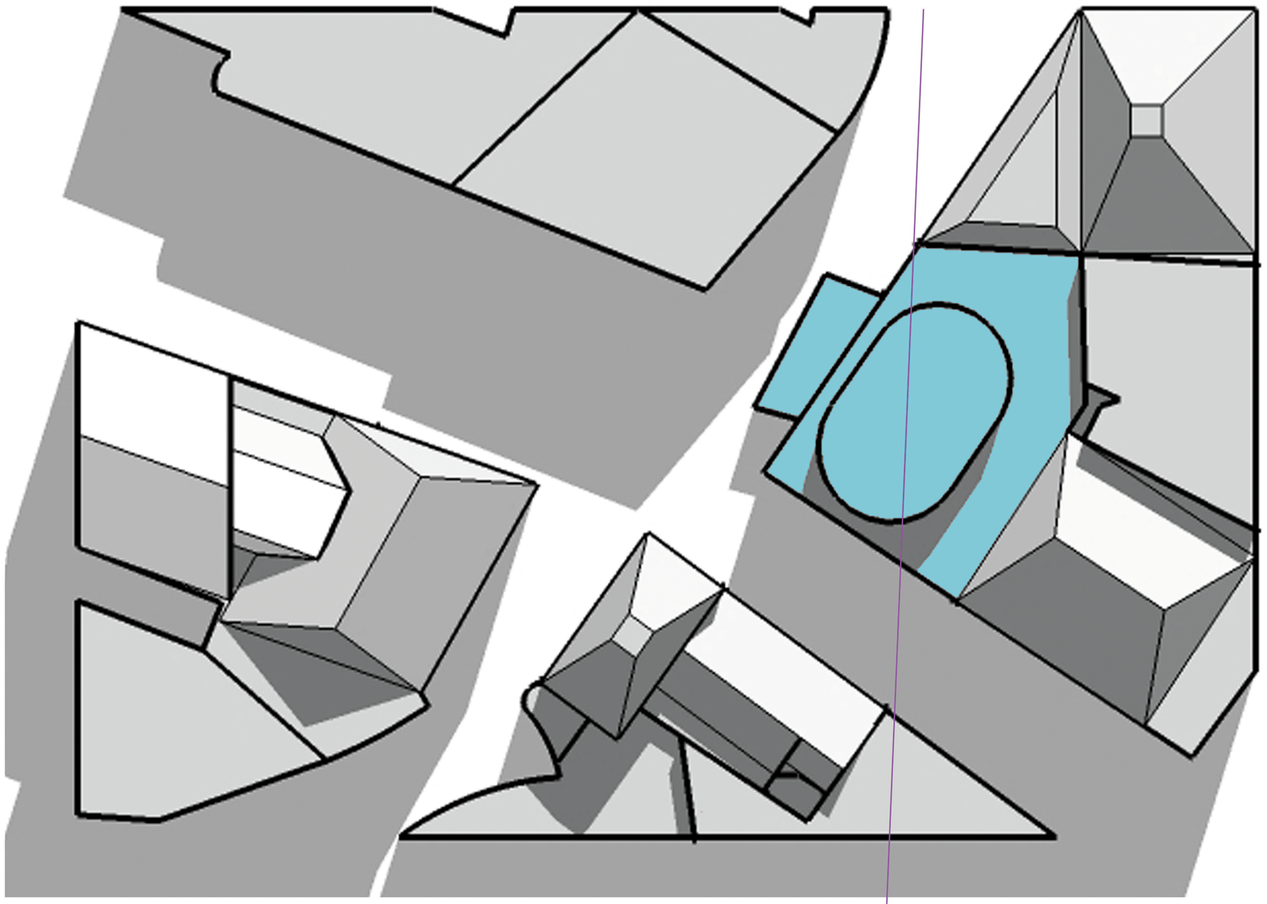
Student ID: 308023846

SITE PLAN 1 : 10 000







AERIAL PLAN 1 : 200

BERN is the capital city of Swizerland, which is famours for banks.
The idea of the design comes from the traditional pig shape money box, which represents lucky, forturn and wealthy. The exterior of the building is just like the money box, and the interior circle is the symbol of coin.
