

Appendix 19. Map of the experimental site at Carcoar. Highlighted plots were used for the study (Chapter 7).

Appendix 20. Seedling raising procedure in the glasshouse (Chapter 7). Top: *Austrodanthonia* seeds were placed in paper pots and kept in trays; bottom: seedlings ready to transplant.

Appendix 21. Seedlings were transplanted into cavities created by removal of soil cores at the Sustainable Grazing Systems (SGS) site, Carcoar (Chapter 7).

Appendix 22. ANOVA for dry matter (DM) of *Austrodanthonia* accessions (Chapter 7)

Term	df	F	Probability (Chi-square)
Herbicide	1	17.28	< 0.01
Minus herbicide x pH	1	3.10	< 0.05
Plus herbicide x pH	1	0.51	> 0.05
