

TUNIS STATION

THE CITY OF TUNIS IS LOCATED ON THE SOUTHERN COAST OF THE MEDITERRANEAN, LINKING THE ARID AFRICAN PLAIN TO THE SEA. THE MEDINA, SUFFERING FROM A SEVERE LACK OF PUBLIC TRANSPORT WILL BE HOME TO A NEW UNDERGROUND TRAIN STATION AND URBAN PLAZA. THE DESIGN OF THE STATION SERVES AS A NEW LANDMARK FOR THE CITY, THE TOWERING STEEL COLUMN AND THE RECTANGULAR BOXES WILL BECOME GRACEFUL ADDITIONS TO THE TUNISIAN SKY LINE. THE STATION SERVES THE PRIMARY NEEDS OF THE COMMUTER; WIDE PLATFORMS, DISABLED ACCESS, RETAIL AND ENTERTAINMENT SPACE. THE DESIGN OF THE NEW STATION SEEKS TO TRANSLATE A DESIGN CULTURE THAT IS BOTH RESPECTFUL TO THE VERNACULAR YET SERVES AS A NEW SYMBOL FOR TUNIS.
