MULTI-PURPOSE SHOPS AND CONFERENCE SPACE

IT IS IMPORTANT TO RESPECT TRADITIONAL ASPECTS OF OF THE AMSTERDAM SOCIETY. THE BUILDING OF CHOICE FOR THIS CONCEPT ARE MULTIPURPOSE STALLS. THESE STALLS CAN SELL FRESH FOOD, VEGGIES DOWN STAIRS. I HAVE PLACED THE PRIMARY SECTIONS CLOSE TO THE WATER TO ALLOW A CUSTOMER INTERACTION WITH THE SITES. THE SECONDARY SPACE IS ON THE ALLEYWAY SIDE. THIS IS DESIGNED TO LOOK TRADITIONAL AMSTERDAM. IT WILL CREATE AN EASE OF ACCESS FOR FRESH PRODUCE. ON THE SECOND, AND THIRD STORY'S, THERE WILL BE UPPER MARKET, Highbrow CAFES, AND CAN EVEN ACCOMIDATE PRIVATE CONFERENCE SPACE.
