Metanásteis «ολίγων νόμιμων»

Η κυβέρνηση διαπραγματεύεται με «προσδεμνήσεις» τη γένι μεταναστευτικής πολιτικής της. Ομως, μια προσεκάτωση ενδείκνυε εσωτερικούς της νόμου είναι αρκετά για να κατανοήσουμε ότι είναι κατασκευασμένος από την πλευρά των συμφερόντων του μέσω... διευθετητή.

The New Law

"Slightly legal" immigrants

The government is promoting as "progressive" its new immigration policy.

However, a careful reading of this law is enough for us to realise it is constructed from the perspective of the interests of the average... slaveowner.

**Verbals components** (Trans D. Economou)

**Sur-headline**  

**Headline**  

**Sub-headline**  

Thursday is the deadline for legalisation applications and no further opportunity is foreseen for immigrants who do not manage to meet it. And while difficulties in the enactment of the new law have now become visible, some of its provisions have already been judged anti-constitutional.
Πρόσφυγες; Ποιοι προσφύγες;

Πολλοί μιλούν για τα χαμηλά επίπεδα της χώρας μας στην απόδοση ευρωπαϊκών πόρων. Όμως ποιοι νοθεύονται για τα χρήματα που θα μπορούσαν να εκτομισθούν από την Ε.Ε. για τη φροντίδα των προσφύγων; Η κυβέρνηση μιλά για κάποια καθαριστικές και αναβεβαιώνει ναικες - παραπληκτά.

Verbal components (Trans. D. Economou)

Sur-headline  Crumbs and deportations for the fugitives

Headline  Refugees? What refugees?

Sub-headline  Many talk of our country’s low uptake of available European resources. But does anyone care about the funds we could get from the E.U. to provide for refugees? The government is talking about waves of illegals and buying rocket-fuelled land mines.

The misery of being an immigrant

The passion of Hasan

Good man, Hasan! He is in our employ, loyal, hard working, subservient.

Whenever we remember that he too is a person, we promise him that we will get him his "papers". We send him off to go through the bureaucratic mincer and if he survives, all to the good. Otherwise we can find someone else.
