Records in red occurred between post test filming and follow up filming

¹. No NDT therapy outside course for any children – and no therapy on the same goal

². One exception to ¹. was for 1 child (J73, J71, J72) who continued on the goal/s from the course at school, home & Kids+ though this included only 1PT NDT session.

³. Missed follow up filming as sick.

⁴. Mother made a comment on 30/8 that 'nothing had changed' (to refer to film notes book re meaning?)
